

SCHOOL UNIFORM

Horizon enjoys a high standard of uniform compliance and the wearing of our school uniform is compulsory. Parents are expected to ensure their children attend school in the correct uniform at all times. Parents have given their undertaking to have students comply with Horizon's uniform expectations by signing the Parent Agreement during the student enrolment process. Failure to wear a required uniform item should be accompanied by a note of explanation. Infringement to our uniform expectations are a breach of our School rules. Students wearing incorrect items of uniform will be asked to wear replacement 'correct' items from our pool of clothing held in the office.

It is our express intention that we will have full uniform compliance from the start of 2018.
